CARPOOLING

Policy Statement

It is the policy of The Mountaineers to encourage participants to carpool. The Mountaineers does not directly assign nor organize carpools, as all trips begin and end at the trailhead of a given activity.

Application

When arranging trips, trip participants (including leaders) are encouraged to communicate about meeting places and carpools, and to decide how best to share transportation. It is the responsibility of trip participants to make any decisions related to this, as The Mountaineers shall not directly arrange for any ride sharing. This includes deciding or dictating who shall drive, reimbursement for travel related expenses, etc.

Responsibility

Mountaineers members are responsible for implementing this on the activities to which it may apply.
