

2020 Internal Climbing and Scrambling Lottery Results - VANTAGE

In the table below are the climbing course-related trips that were awarded priority for Vantage through The Mountaineers 2020 Internal Lottery. These “winners” have priority in scheduling at the [Vantage](#) route/place on our website. The Internal Lottery results will be posted on the route/place page for reference.

Note – If more than one branch/field trip requested the same climbing area(s) on the same day(s) for their trips, the trip with higher overall priority in the Lottery received the area(s), and the trip with lower overall priority was assigned a different area. As always, if more than one trip is taking place at the same route/place on the same dates, leaders are encouraged to coordinate with each other ahead of time to minimize conflicts.
