

THE MOUNTAINEERS
EVERETT BRANCH

JUNE 1986 NUMBER 12

EVERETT MOUNTAINEERS
P.O. Box 1848
Everett WA 98206

There is NO Everett Mountaineer meeting in July or August. See you in Sept. with your summer slides.

ALL NEW EVERETT HIKING
AWARD

ADOPTION ALMOST FINAL

The adoption papers of The Three Fingers Lookout are almost final. The most headway has been made with the approval of taking pack animals in on July 21-24 to move the heavy building materials to the highest point the animals can go. Then comes the "human chain" to move the supplies to the Lookout Cabin. The weekends planned for this activity are July 26-27, Aug. 2-3 and if still more work is need, Aug. 9-10. Look at your summer schedule and mark one of these weekends to help, or more if you can. These weekends are for work on the Lookout but the trail will also need some work after the pack animals have gone over it so Gordon Rogers is organizing a trail maintance crew to make repairs and would also like to have food provided for the work crews. All of this is going to require a lot of volunteers. More information and details can be obtained from Jerry Thompson, Carol Pinneo 488-4125 or Jim Eychaner 723-0237.

Patch designed by Larry Longley

WORK PARTY - BUILD SHUTTERS

On June 21 there will be a work party at Mike and Carol Pinneo's to build shutters for the Three Fingers Lookout. Again, all hands are needed!!!! This is a good time to get involved with the first stage of this project, the restoration of the Three Fingers Lookout House. Also at this time, there will be more known about the details for continuing this project this summer. For more information call Diane Duffy 337-3868 or Carol Pinneo 788-4125

Some hard work and effort has gone into the planning and designing of this project so lets give the 3 Fingers Committee our support of this unique project.

MILEAGE AWARD PATCH

Everett has a mileage patch award. Keep track of the miles you hike, backpack, snowshoe, ski and turn in for the mileage award patch. You need 100 miles for the patch that will be presented at the Nov. 15, banquet. Need more information, call Larry Longley 653-6711.

New Climbing Rope Steward

The climbing ropes will be kept by Don Roberts in Monroe, 794-6354. Call if you want to use one.

CONSERVATION CONCERNS

Come and learn about the conservation concerns of our area. The conservation Committee welcomes ALL to their potluck meeting. They will discuss the Sultan Basin Project which involves terrestrial wildlife and migration plans. The first plan did not pass so it has to be reworked and this group is looking for suggestions.

We should all be concerned about these environmental issues. Sometimes it is hard to get excited about planning. It seems easier to get excited after the damage has been done and we see the devastating results. Here is a chance to help prevent that damage before it is too late.

The potluck dinner meeting will be at Scott and Lori Dorrough's, 3105 Glacier Peak Avenue in Eastmont, on July 1 at 6:30 P.M. Come for the fun and learn about local issues. Call for directions, 337-2140. Bring any dish you want; the dishes, silverware, and beverage will be provided.

OKANOGAN FOREST PLAN
ANOTHER ENVIRONMENTAL ISSUE

Another item which needs our action and concern is the Okanogan Forest Plan. Write to William D. Laughlin, Supervisor Okanogan National Forest. PO Box 950 Okanogan, WA. 98840. Write to him about saving the trials in this area. Ask that motorcycles be prohibited in the Canyon Cr. Valley by Mount Bonaparte. Ask that your letter be included in the Okanogan Forest Service Planning record. Include that you support Alternative I. Get these off by July 15, 1986.

Fall Salmon Bake

The traditional salmon bake will be Oct. 5, with the possibility of a new "twist", folkdancing, just to liven up the event and work off some of those calories. Delores and Joe Wagner can use your help, 568-3828.

BACKPACKING REPORT

The backpacking class was very successful with 22 in the class and most of those will be attending the June 28-29 overnight field trip. In the first class they learned about packs and equipment and in the second class they sampled food, looked at maps and books, and were presented with a slide show on places to go.

For their field trip they will be going to Monte Cristo and doing side trips to Glacier Basin, Silver Lake, and Sunday Falls. The dinner will be a group experience with each stove cooking a different entre and then all trying the different dinners to give them some ideas on different backpacking food and give them a chance to see what they like.

FOLKDANCING

At the May meeting there was the subject of folkdancing brought up and talked about. This was followed up with a report and survey by Lynn Schmidt at the June meeting. She is trying to determine the level of interest there is in starting folkdancing in the Everett Branch. If she finds the interest is high she will continue to research out the possibilities of setting up the program. Lynn wants to hear from you as the interest from the membership will determine if the new program goes. If folkdancing is your new thing or you are looking for a new form of exercise contact Lynn Schmidt 481-3983.

Explorer Post Report

The Explorer Post which the Mountaineers sponsor is looking for new members between 14-21 years old. Sign-up for this fall program with Tom Hutchinson 252-0890. They will offer a full range of outdoor activities. To join you do not need to be a member of the Mountaineers so if you know some youth who would be interested, contact Tom Hutchinson.

Explorer Post 16 revised schedule.
June 21-Mt. Stickney
July 19-Spire Peak
Aug. 18-24, Mt. Adams and Goat Rocks

- July 26, Saturday, Mt. Dickerman, (M/S) Look out Peak Award. 8 miles, el.
gain 3800', Hike to the summit to view some of the best scenery
around, Glacier Pk. Leader: JoAnn Carpenter 353-1246

COMPUTER INFORMATION

Computers with trail information will be available to you at the Seattle Public Library, REI Seattle store, and the Forest Service's Office at 1st and Spring in Seattle. Davin Bremner at REI 206-323-8333 can give you more information. This is a pilot project but can give you vast information. The program will start operating in early June.

The computer can also help you choose a trip. Give it the information that suits your needs and the computer will sort through all the trails and give you a list of trails that meet your specifications. Sounds almost too good to be true. Try it, you might like it!

SCRAMBLING

- July 4-6, Mt. Adams. Call leader for details, Dan Brauer, 483-8889.
- July 12, Mt. Pugh, Call Ron Smith 347-0763.
- July 19, Hibox Mt. Call leader for details, Mike Beeman 668-8475.
- July 26, Mt. Daniel, Call Bob Laird 252-9400.

ANNOUNCEMENT

If you work on weekends start looking in the bulletin for MIDWEEK activities. The hiking committee has come up with one hike each week and there are several backpacking trips offered. If you are a midweek person and would like to lead a hike, call Delores Wagner 568-3828.

Leader Dot Betts 653-6750.

NOMINATING COMMITTEE FORMED

The nominating committee has one of the more important responsibilities for the Branch this summer: finding people qualified and willing to serve as Branch officers.

Those working as members of the nominating committee are Bill Iffrig, Larry Longley, Linda Moore, and Lynn Taylor. The four represent a broad spectrum of Branch activities and among them have years of experience.

Offices to be filled for 1986-87 include chair, co-chair (program coordinator), secretary, treasurer, and trustee. If you are interested in filling one of these positions, or if you know someone who would be a good candidate, call one of the people on the nominating committee.

Bill Iffrig, 334-2126; Larry Longley, 653-6711; Linda Moore, 3477-7650; Lynn Taylor, 632-6597.

OFFICERS AND CHAIRPERSONS

Chairman: Jim Eychaner - 723-0237 (Seattle)
 Program Chair: Sam McClary - 337-7712
 Secretary: Dianne Duffy - 337-3868
