TRUSTEE'S REPORT

The building underwent several changes last month. The restaurant management firm decided it could not meet the agreed budget and cancelled the contract. The restaurant manager also quit. The board decided to take immediate action to keep building losses to a minimum. The restaurant will be closed July 5. After that, outside caterers will be available to provide service. A market appraisal of the building will take place now in order to make plans for the building, such as whether to lease or sell. A committee continues to develop a long range clubhouse plan.

The board meeting will tentatively take place in Everett in September rather than June as previously discussed.

ADVANCE NOTICE

August 19, Wednesday, Hiking Committee Meeting to plan trips for the fall. Bev Robison Hostess.

MEMBERSHIP MEETINGS

Everett Mountaineers meet throughout Summer! The Everett Branch will meet July and August. The Branch voted to change the By-laws and to have meetings during the Summer. So if you're not out climbing or hiking, be sure to attend the Summer meetings. (The first Wednesday at 7:30 P.M. at the Congregational Church - Everett Ave. & Rockefeller.)

Greetings from the Branch Chair!

I hope many of you have a fun filled summer planned. If not, you may be able to take advantage of this issue of the Branch Newsletter to supplement your summer schedule. Also, many THANKS to all the Branch members who have volunteered to lead outings. For those of you who would still like to get your trips into future issues of the Branch Newsletter and Club bulletin, PLEASE send them to the Branch P. O. Box.

During the May Branch meeting we passed new Branch Rules which are included in this issue. I would like to thank Gail McClary and Forrest Clark for their countless hours of assistance to formulate these new rules. Also thanks to Lori Dorough, Jerry Thompson, Gail McClary and Forrest Clark who have volunteered to serve on the Nominating Committee. If you or any Branch members you know would like to run for Branch office in September, please give your name(s) to one of the committee members by the August Branch meeting. This year, again, balloting may be done by mail or in person at the September meeting. I am still looking for Branch members to serve on the Computer Study Committee.

Finally a special THANKS to John Witters for his June Seminar on the Ten Essentials and for his typing of all the Newsletter.

See you in July!!!

Don

- PRESENT:  
**Folkdance!**

(Co-sponsored by Everett Parks & Recreation)

All of you out there who supported the organization of Folkdance in Everett, but haven't participated, we're talking to you this month! We have a core of friendly, experienced dancers, but we won't survive without you!

You've all read the plea for donations at dances - here's why. Co-sponsorship with Everett Parks gives us widespread advertising, a dependable schedule, special hall rental rates, and they handle class registration. In return, our dances must be open to the public for no charge.

We have enough money to cover our hall rental through August but after that... Our last class was cancelled due to low turnout (bottom line - no income.) We need you to come to a dance (always the second Friday of the month) - experience international folkdancing! Then register for a class in the fall - we hope to have beginning and intermediate levels.

Friday dances always include an hour of instruction starting at 8 P.M. The dances formally begin at 9 P.M. The MC for the June 12th dance is Alice Nugent, July 10th is Art Hare, and August 14th is Gordon Rogers.

Directions to Forest Park:

From Northbound I-5, take the left lane Broadway exit #192. Then stay in the far right lane and follow the signs to 41st. The road winds up the hill. Forest Park entrance is on the left. From Southbound I-5, take 41st St. exit. Follow 41st West, winding up the hill. Forest Park is on the left.

## NEW ROPE POLICY

The Everett Mountaineers Climbing Committee has adopted a new policy for the use of ropes. This new policy limits the use of club ropes to "official" club climbs. The reason for this new policy is obvious when one considers the liability problems which could result from the continued lending of ropes for personal climbs. After a lengthy discussion during the May meeting of the Everett Mountaineers, it became apparent that the term "official" club climb needs clarification. In order for a climb to be "official" it must be approved by the Climbing Committee Chair (Dan Morse), or by the Coordinator of the Intermediate Climbing Class (Jack Bennett), or the Climbing Committee Records Chair (Dianne Duffy).

To be approved by the Climbing Committee Chair, or the other designated members of the Climbing Committee, the climb must meet the following criteria:

1. The leader must be a recognized leader of Everett Mountaineer climbs, as indicated on the most recent Climb Leader List.
2. The climb must be in full accordance with the Climbing Code. The Everett Mountaineers have recognized those individuals listed on the Climb Leader List as leaders which have demonstrated good judgment. That is, they follow the precepts of safe mountaineering as set forth by the climbing code. It will be assumed that those leaders listed on the current Climb Leader List are upholding the precepts of safe mountaineering, unless otherwise demonstrated.

It is not necessary for a climb to be published in the bulletin to be "official"; but the climb must be approved. To have a climb approved, contact one of the people designated above. That person will then contact the rope steward with

your request. Please plan your climbs a week or more in advance to allow time for the necessary contacts to be made.

The new Climb Leader List will be published the first week of June. It will be mailed to each leader on the list. If you would like a copy and you are not on the Climb Leader List, or a student of the Basic Climbing Class, contact me at 353-6643. Leave your name and address and I will send you the Climb Leader List when it is published. Your support of this new policy is appreciated! Wishing you a safe and enjoyable Summer filled with climbs.

Dan Morse
