DIRECTIONS FOR APPROACH TO DEPOT CREEK ROAD AND TRAIL

Steph Abegg, July 2012

Driving Directions:

Drive I-5 north to Bellingham exit 256, follow signs to Sumas, cross border into Canada, take Transcanada Hwy 1 east. Drive 17 miles and take the Vedder Road exit (#119A) going south. Drive 3.4 miles thru town and turn left onto the Chilliwack River Rd (just before bridge over river). Drive 31.7 miles on Chilliwack River Rd, which becomes unpaved and potholed for the section along the east side of Chilliwack Lake. Turn left onto narrow, dirt Depot Creek Rd (no sign) about 200 yards before bridge over Depot Creek.

Finding Depot Creek Road and the Depot Creek Trail is somewhat confusing. See the map for further detail.
