A qualifying backpacking trip is an overnight trip that involves a minimum hike of 1.5 miles, round trip. The trips can be through the Mountaineers or private trips.

A Stewardship Day can be through the Mountaineers, WTA or another volunteer group. It can involve work on urban trails and parks, hiking trails, fire lookouts, state or national parks volunteer days. If you have a question about whether your proposed Stewardship Day satisfies the requirement for this course, email information about the activity to [becky@tacomamountaineers.org](mailto:becky@tacomamountaineers.org).

Once you have completed both Backpacking Trips and your Stewardship Day, complete this form and email it to [becky@tacomamountaineers.org](mailto:becky@tacomamountaineers.org).
