Step 4: Scroll down to the field trips and check the box for the trip that you are interested in. Remember to sign up for only one trip initially so everyone has a chance to sign up for one. The sign up for additional trips will be opened three days later. Click to save changes.

IMPORTANT: If a trip you are interested in is listed with leader's permission, you must request their permission to join the trip prior to registering. Do not register for a trip without the leader's permission ahead of time or you will be removed from the roster.
