# ACTIVITY FLOW CHART

**The Mountaineers**

Does your activity have a formal educational component?

- **YES**
- **NO**

## YES branch

Is your activity a field trip or lecture associated with a course?

- **YES** → You should list your activity using the relevant field trip or lecture activity template within your course.
- **NO** → Are all of the following conditions true?
  - ☑ Regardless of length, the program timeline is uninterrupted (meaning all days are consecutive, without breaks)
  - ☑ Regardless of length, all components of the program have the same roster of students
  - ☑ All components of the program happen at the same location (route/place)

  - **YES** → Does this program involve hands-on learning?
    - **YES** → Your program is a **Clinic**
    - **NO** → Your program is a **Seminar**
  - **NO** → Your program is a **Course** with field trips and/or lectures

## NO branch

Does your program involve participation in a Mountaineers activity?

- **YES** → What is the primary objective of this program?
  - To experience a Mountaineers activity as a group → Your program is a **Trip**
  - To practice skills related to a Mountaineers activity → To determine the best option contact info@mountaineers.org
- **NO** → Your program is an **Event**

**Note:** All courses must have at least two components (field trips or lectures) listed within them. Courses cannot stand alone without course-related activities.
